INDEPENDENT AUDITOR'S REPORT

To the Members of Nova Cinemaz Private Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of **Nova Cinemaz Private Limited** ("the Company"), which comprise the balance sheet as at 31st March 2023, and the statement of Profit and Loss (including other Comprehensive Income), the statement of Changes in Equity and the Statement of Cash Flows for the year then ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules ,2015, as amended ,("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements section* of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and access the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design
 audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act,
 we are also responsible for expressing our opinion on whether the Company has adequate
 internal financial control systems in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and the Board of Directors of the Company.
- Conclude on the appropriateness of management's use of the going concern basis of
 accounting and, based on the audit evidence obtained, whether a material uncertainty exists
 related to events or conditions that may cast significant doubt on the Company's ability to
 continue as a going concern. If we conclude that a material uncertainty exists, we are required
 to draw attention in our auditor's report to the related disclosures in the standalone financial
 statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are

based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

 Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

We draw attention to Note 1.2 of the financial statements, which describes that in spite of erosion of net worth, the accounts of the company have been prepared on a going concern basis primarily due to commitment of financial support of the holding Company.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

 As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

- 2. As required by Section 143(3) of the Act, based on our audit we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from the branches not visited by us.
 - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - (g) The provision of Section 197(16) of the act (Remuneration to directors) are not applicable to company.
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company does not have any pending litigations as at 31 March 2023 impacting its financial position in its standalone financial statements. Refer **Note No. 34** to the Financials.
- ii. The Company did not have long term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred in Investor Education and Protection Fund by the Company.
- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to

believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

(d) No dividend has been declared or paid by the company during the financial year. Accordingly, the compliance to Sec. 123 of the Companies, is not applicable.

Annexure referred to the Auditors' Report

"Appendix A" to Independent Auditors 'Report referred to in Paragraph 1 under the heading of "Report on other legal and regulatory requirements" of our report of even date.

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- (i) In respect of the Company's Property, Plant and Equipment and Intangible Assets:
 - (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
 - (B) The Company has maintained proper records showing full particulars of intangible assets.
 - (b) The fixed assets were physically verified during the year by the management at reasonable intervals, which in our opinion are reasonable, having regards to the size of the company and the nature of its assets. According to information and explanations given to us, no material discrepancies were noticed on such verification by the management.
 - (c) According to the information and explanations given to us, and on the basis of our examination of the records of the Company, does not own any immovable property (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) hence the said sub-clause is not applicable.
 - (d) The Company has not revalued any of its Property, Plant and Equipment (including right- of-use assets) and intangible assets during the year.

- (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) (a) As per Management, the inventory has been physically verified by the management at reasonable intervals during the year. In our opinion, the frequency of such verification is reasonable. The discrepancies noticed on verification between the physical stocks and the book records were not material and have been properly adjusted in the books of account.
 - (b) The Company has not been sanctioned working capital limits in excess of ₹ 5 crore, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets. Accordingly, the reporting under clause 3(iii) of the Order is not applicable.
- (iii) (a) The Company has not provided any loans or advances in the nature of loans or stood guarantee, or provided security to any other entity during the year and hence reporting under clause 3(iii)(a) of the Order is not applicable.
 - (b) In our opinion, the investments made and the terms and conditions of the grant of loans, during the year are, prima facie, not prejudicial to the Company's interest.
 - (c) In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are generally been regular as per stipulation, except in case of loan of Rs. 136.36 Lakhs (including the interest due) to one party in earlier years against which impairment loss has been accounted in the financial statements.
 - (d) In respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date, except in respect to the loan as mentioned in sub-clause (c) above.

- (e) No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.
- (f) The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii)(f) is not applicable.
- (iv) According to information and explanations given to us, the Company has granted unsecured loans covered under the provisions of 186 of the Act exceeding the limits prescribed under Sec. 186(2). The company has passed the special resolution as per the provisions of the Sec.186(2) & has made requisite disclosure in **Note No. 32** to the financial statements.
- (v) According to the information and explanations given to us, the Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the rules framed there under during the year. Hence, reporting under clause 3(v) of the Order is not applicable.
- (vi) According to the information and explanations given to us, the maintenance of cost records has not been specified by the Central Government under sub- section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company.
- (vii) In respect of statutory dues:
 - (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted / accrued in the books of account in respect of undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales tax, value added tax, duty of customs, duty of excise, service tax, cess and other material statutory dues have been regularly deposited during the year by the Company with the appropriate authorities.

According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income –tax, sales tax, value added tax, duty of customs, duty of excise, service tax, cess and other material statutory dues were in arrears as at 31st March 2023 for a period of more than six months from the date they become payable.

- (b) According to the records of the Company and the information and explanations given to us, there are no pending statutory dues referred to in sub-clause (a) above.
- (viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- (ix) (a) The Company has not defaulted in repayment of any loans or other borrowings or in the payment of interest thereon, to any lender. Hence reporting under clause 3(ix)(a) of the Order is not applicable
 - (b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
 - (c) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
 - (d) As the company have not taken loans other than unsecured loans from its holding company for general business purposes, accordingly, no funds raised on short term basis have been utilized for long term purposes.

- (e) The Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- (f) The Company has not raised any secured loans during the year and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- (x) (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year other than the rights issue to its holding company and hence reporting under clause 3(x)(a) of the Order is not applicable.
 - (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally), other than the equity shares of Rs. 300 Lakhs issued to the its holding company in the form of rights issue. The Company has complied to the requirements of Sec. 62 of The Companies Act, 2013 and the funds raised have been used for the purpose for which the funds were raised.
- (xi) (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
 - (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
 - (c) As represented by the management, no whistle blower complaints received by the Company during the year, hence reporting under clause 3(xi)(c) of the Order is not applicable

- (xii) The Company is not a Nidhi Company. Accordingly, the provisions of clause 3(xii) of the Order are not applicable to the Company.
- (xiii) The provisions of Section 177 of the Act relating to Audit Committee are not applicable to the Company during the year. According to the information and explanations given to us and based on our examination of the records of the Company, the transactions with related parties are in compliance with Section 188 of the Act and the details have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) As per the representation from the management, since the company is not covered under the provisions of Sec. 138 of the Companies Act, 2013, no internal audit has been conducted by the Company.
- (xv) In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b), (c) and (d) of the Order is not applicable.
- (xvii) The company has incurred cash losses during the financial year and immediately preceding financial year, the details of which have mentioned as under-

FY	Amount (Rs.) in Lakhs	
2022-23	405.01	
2021-22	385.59	

(xviii) There has been no resignation of the statutory auditors of the Company during the year.

- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, our opinion on Company capability of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date, is as under
 - (a) The Company's has accumulated losses of Rs. 1,465.67 lakhs as on the date of balance sheet and has incurred cash losses of Rs. 405.01 lakhs during the year (PY Rs. 385.59 Lakhs). Further, the net worth of the company has completely eroded.
 - (b) As also mentioned in the "Other Matters" paragraph of this report in respect to the "Going Concern", the company's capability of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date, is primarily based on the commitment of financial support of the holding Company.
 - (c) Based on the above letter of commitment for continuous financial support by the holding company, we are of the opinion, that no material uncertainty as on the date of audit report that company is capable of meeting its liabilities existing as on the date of balance sheet as and when they fall due within a period of one year from the date of balance sheet.

We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- (xx) As per the representation from the management, the provisions of Sec. 135 in respect to the "Corporate Social Responsibility" of the Companies Act, 2013 are not applicable to the Company. Hence, reporting under clause 3(xx)(a) and (b) of the Order is not applicable.
- (xxi) Clause (xxi) of the Order is not applicable to the Standalone Financial Statements.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Nova Cinemaz Private Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under clause (i) of Sub – Section 3 of section 143 of the Companies Act ,2013 ("the Act")

We have audited the internal financial controls over financial reporting of **NOVA DIGITAL CINEMAZ PRIVATE LIMITED** ("the Company") as of 31st March, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan

and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March,2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financials Controls Over Financial Reporting issued by the Institute of Chartered Accountant of India.

1 Significant Accounting Policies

1.1 Nature of operations

Nova Cinemaz Private Limited (the Company) is a private company domiciled in India and incorporated on 14 July 2006 under the provisions of the Companies Act, 1956. The registered office of the company is located at Valuable Techno Park, Plot No. 53/1, Road No. 7, MIDC, Andheri (East), Mumbai. The Company is into the business of providing digital cinema services. The Company's principal revenue stream is Content Service Charges to Cinema Theatres and from operation of Box Office. The Company is subsidiary of UFO Moviez India Limited.

1.2 Going concern

For the year ended 31 March 2023, the Company has incurred a loss of Rs.505.52 lacs (31 March 2022 - Loss Rs. 513.36 lacs and has accumulated losses of Rs. 1465.66 lacs. The net worth of the Company is fully eroded. The Holding Company has committed to provide continued financial and operating support to the Company, to enable it to operate as a going concern and accordingly, these financial statements are prepared on going concern basis.

1.3 Basis of preparation

The financial statements of the company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time).

The financial statements have been prepared on an accrual basis and under the historical cost convention except where it is specifically required to be measured at fair value or revalued amount.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

1.4 Use of estimates

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.

1.5 Current versus Non-Current classification

The company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- · Expected to be realized in normal operating cycle or within twelve month after the reporting period or
- Cash or cash equivalents unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- · It is expected to be settled in normal operating cycle or due to be settled with in twelve months after the reporting period or
- There is no unconditional rights to defer the settlement of the liability for at least twelve months after the reporting period The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities only.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified period of twelve months as its operating cycle.

1.6 Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured, regardless of when payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. The specific recognition criteria described below must also be met before revenue is recognized:

a) Revenue from services

Revenue from services is recognized, at a point in time or over time, on satisfaction of performance obligation for the services rendered as under:

- (i) Revenue from box office is recognized as and when the movie is exhibited viz. at a point in time.
- (ii) Revenue from other Services is recognised over the period of contract or at a point in time, as per contractual terms.
- (iii) Lease rental income is recognized in the period in which equipment are leased. Technical Support Services and Server Maintenance and Content Licensing Fees is revenue recognized in the period in which services are rendered.

b) Sale of food and beverages

Food and beverages revenue is recognized when the control of goods have been transferred to the customers. The performance obligation in case of products is satisfied at a point in time i.e. at the point of sale.

c) Other income

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included in finance income under the head "other income" in the Statement of Profit and Loss.

d) Service Fee charged to theatre exhibitors for content provisioning under franchised "Nova Theatre" and "Club Cinema" is shown net of cost-to-cost reimbursement of Content Screening Cost / Distributor's Share of Income from screening of movies payable to the Distributor.

1.7 Property, plant and equipment (PPE)

PPE are shown at cost less accumulated depreciation. Cost comprises of purchase price and other attributed expenses.

Capital work in progress is stated at cost, net of accumulated impairment loss, if any. Plant and equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred.

A revaluation surplus is recorded in OCI and credited to the asset revaluation surplus in equity. However, to the extent that it reverses a revaluation deficit of the same asset previously recognised in profit or loss, the increase is recognised in profit and loss. A revaluation deficit is recognised in the statement of profit and loss, except to the extent that it offsets an existing surplus on the same asset recognised in the asset revaluation reserve.

1.8 Inventory

Food and beverages - Inventories are valued at lower of cost or net realizable value. Cost includes all charges in bringing the goods to the point of sale, including taxes and other levies and is determined on a weighted average basis.

1.9 Depreciation on tangible fixed assets and amortization of intangible assets

Depreciation is provided using the Straight Line Method as per the useful lives of the assets estimated by the management.

The Company has used the following useful lives to provide depreciation on its tangible fixed assets

Particulars	Useful lives as per management's estimate
Plant and machinery	6-10 Years
Computer	3 Years
Furniture and fixtures	5 Years
Office equipment's	5 Years
Vehicles	5 Years

Except Computer, Furniture and Fixtures, Office Equipment's, useful lives of above fixed assets are different from those prescribed under schedule II. These rates are based on evaluation of useful life by internal technical expert. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Leasehold improvements are amortised on a straight-line basis over the period of lease or over a period of 4 years, whichever is lower.

Intangible assets are amortized over their estimated useful life as follows.

Particulars	Useful lives as per management's estimate
Design, patent and trademarks	5 Years

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

1.10 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

For the purpose of identification of assets that necessarily takes a substantial period of time to get ready for its intended use or sale, the period for which the construction or production of asset could not be done on account of lockdown and other covid restrictions imposed by the Govt. of India and various states have been excluded.

1.11 Employee benefit

Gratuity :-

The company has a defined benefit gratuity plan. Every employee who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service. The company formed its Gratuity Trust.

Gratuity Liability is a defined benefit obligation and is provided for on the basis of an actuarial valuation.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in "Other Comprehensive Income" in the period in which they occur and are not reclassified to profit or loss in subsequent periods.

Compensated leaves absences and leave encashment :-

Short term compensated absences are provided for based on estimates. Long term compensated absences are provided for based on actuarial valuation at the year end. The actuarial valuation is done as per projected unit credit method. The company presents the compensated absences as a current liability in the balance sheet, to the extent it does not have an unconditional right to defer its settlement for 12 months after the reporting date.

Retirement benefits:-

Retirement benefits in the form of provident fund is a defined contribution scheme and the contributions are charged to the statement of profit and loss of the year when the employee render related services. There are no other obligations other than the contribution payable to the respective funds. The company has a defined benefit gratuity plan. Every employee who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service.

1.12 Investment

Investments, which are readily realizable and intended to the held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long term investments.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long Term Investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

In accordance with the Schedule III to the Companies Act, 2013, the portion of the Long Term Investments classified above, and expected to be realised within 12 months of the reporting date, have been classified as current investments.

1.13 Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share spilt, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

1.14 Taxation

Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income-tax Act, 1961.

Deferred Tax for timing difference between profits and book profits is accounted for, using tax rates and laws that have been enacted or substantially enacted as of the Balance Sheet Date. The company has brought forward losses and unabsorbed depreciation and hence Deferred Tax Assets/Liabilities are not recognized as there is no virtual certainty that these assets/liabilities can be realised/accrued in future.

1.15 Provisions

A provisions is recognized when the company has a present obligation (legal or constructive) as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Where the company expects some or all of a provision to be reimbursed, for example under an insurance contract, the reimbursement is recognized as a separate asset but only when the reimbursement is virtually certainty. The expense relating to any provision is presented in the statement of profit and loss net of any reimbursement.

1.16 Contingent liabilities

A contingent liabilities is a possible obligation that arise from past events whose existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

1.17 Cash and cash equivalents

Cash and Cash Equivalents in the balance sheet comprise cash at banks and on hand and short term investments with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

1.18 Measurement of EBITDA

As permitted by the Guidance note on Schedule III to the Companies Act 2013, the company has elected to present earnings before interest, tax, depreciation and amortization (EBITDA) as a separate item on the face of the statement of profit and loss. The company measures EBITDA on the basis of profit/(loss) from continuing operations. In its measurement, the company does not include depreciation and amortization expenses, finance cost, finance income and tax expense.

1.19 Leases

The company has recognised a right-of-use asset and a lease liability at the lease commencement date and in case of lease term commencing before the date of initial application, from the date of initial application accordingly. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments or amount of prepaid rent made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, company's incremental borrowing rate. The company has used the nominal rate implicit in the lease as @10% for discounting.

Lease payments included in the measurement of the lease liability comprise the following:

- Fixed payments, including in-substance fixed payments;
- Variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;
- Amounts expected to be payable under a residual value guarantee; and
- The exercise price under a purchase option that the company is reasonably certain to exercise, lease payments in an optional renewal period if the company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the company is reasonably certain not to terminate early.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate.

(b) Terms / rights attached to equity shares

Voting rights

The company has only one class of equity shares having a par value of Rs. 10 per share. Each holder of equity shares is entitled to one vote per share. The company declares and pays dividends in Indian Rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting. No dividend has been declared during this financial year.

Rights pertaining to repayment of capital

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

Notes to financial statements for the year ended 31 March 2023

26. Earning per share (IND AS-33):

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders by the weighted average number of Equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders (after adjusting for interest on the convertible preference shares) by the weighted average number of Equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares.

The following reflects the ince

The following reflects the income and share data used in the basic and diluted EPS computations:		Rs. in lacs
Particular	31 March 2023	
a) Profit / (Loss) after tax as reported (Rs.)	(510.93)	(513.29)
b) Weighted Average Number of equity shares considered for calculating Earnings Per Sharec) Earnings Per Share (Rs.)	2,631,598	38,448
Basic Diluted d) Newton (No.)	(19.42) (19.42)	(1,335.05) (1,335.05)
d) Nominal Value Per Share (Rs.)	10.00	10.00

27. Gratuity and other post-employment benefit plans -

a) Defined contribution plan

The Company has recognised and included in Note 22 "Contribution to provident fund and other funds" expenses towards the defined contribution plan as under:

	Rs. in lacs
Particulars	31 March 2023 31 March 2022
Contribution to provident fund	14.71 8.19
	14.71 8.19

b) Defined benefit plan-Gratuity

The Company has a defined benefit gratuity plan. Every employee who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service. The company has made provision for gratuity and leave encashment / compensated leave absences as per the actuarial reports based on projected unit credit method. The company has formed a Gratuity Trust.

The following tables summaries the components of net benefit expense recognized in the statement of profit and loss and the funded status and amounts recognized in the balance sheet for the respective plans.

Change in the defined benefit obligation ("DBO") and fair value of plan assets as at 31 March 2023

AS at 31 Warch 2022	8.48	2	8.48

Notes to financial statements for the year ended 31 March 2023

The principal assumptions used in determining gratuity as shown below:		
Particulars	31 March 2023	31 March 2022
Discount rate	6.65%	
Future salary increase		0.0078
and suite, moreover	Nil for the first	t Nil for the first
	year and 6%	year and 6%
	thereafter	thereafter
Employee turnover	10%	13%
Retirement age (years)	58	F0
The estimates of future salary increases considered in actuarial valuation, take account of inflation, seniority such as supply and demand in the employment market	, promotion and other	relevant factors,

such as supply and demand in the employment market.

The overall expected rate of return on assets is determined based on the market prices prevailing on that date, applicable to the period over which the obligation is to be settled.

A quantitative sensitivity analysis for significant assumption is shown below		Do in less
Particulars	DBO	Rs. in lacs
Di	31 March 2023	
Discount rate (-1%) Discount rate (+1%)	(5.82)	(9.16)
Salary Growth rate (-1%)	4.99	7.88
Salary Growth rate (+1%)	(4.98)	(7.89)
Salary Growth rate (+1%)	5.82	9.11

Methods and assumptions used in preparing sensitivity and their limitations: The liability was projected by changing certain assumptions and the total liability post the change in such assumptions have been captured in the table above. This sensivities are based on change in one single assumption, other assumptions, being constant. In practice, scenarios may involve change in several assumptions where the stressed defined obligation may be significantly impacted.

The following payments are expected contributions to the defined benefit plan in future years		De in less
Particulars	31 March 2023	Rs. in lacs
Within the next 12 months (next annual reporting period)	OT March 2023	31 March 2022
Total expected payments		
Note: Since the scheme is managed on unfunded basis the next year contribution in the	-	-

Note: Since the scheme is managed on unfunded basis, the next year contribution is taken as nil.

The weighted-average duration of the defined benefit plan obligation at the end of the reporting period is 8 years (31 March 2022: 8 years)

Notes to financial statements for the year ended 31 March 2023

G) Application of practical expediency (Para 46A of Ind AS 116)

- a. The Company has applied practical expediency in case of rent concession occurring as a direct consequence of the covid-19 pandemic and accordingly, the same has been accounted as Negative variable lease payments (Other income).
- b. For cases, other than covered by Para 46A of 116AS, on account of changes in lease rentals beyond June 30, 2021, the company has considered the same as lease modification, and accordingly, the lease liability has remeasured and adjusted to the value of right to use (Refer Note. 2.3)

31. Segmental reporting (Ind AS - 108)

The Company is engaged primarily in the business of advertisement.
