DIRECTORS' REPORT (CONTD.)

PROPERTY, PLANT & EQUIPMENT

Details of property, plant and equipment and their movements are set out in Note 5 to the financial statements.

CONTINGENT LIABILITIES

Contingent Liabilities as at the reporting date are given in Note 23 to the financial statements.

EVENTS AFTER THE REPORTING PERIOD

In the opinion of the Directors no transaction or event of a material and unusual nature, favorable or unfavorable has arisen in the interval between the end of the financial year and the date of this report, that is likely to affect, substantially the result of the operations or the financial position of the Entity.

GOING CONCERN

The financial statements have been prepared on a going concern basis which assumed that the Entity will continue to operate as a going concern for the foreseeable future. The Managing director gives hope and expectations that the Entity has a glorious future ahead of them to continue in operational existence for the foreseeable future.

DIRECTORATE

The current Directorate of the Entity is set out below:

Mr. Sunil Patil

Mr. Kapil Agarwal

STATEMENT OF DIRECTOR'S RESPONSIBILITIES

The Governing Law requires the Directors to prepare the financial statements for each financial year which gives a true and fair view of the state of affairs of the Entity and of the net profit or loss for the year.

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time, the financial position of the Entity and to enable them to ensure that the financial statements comply with relevant Governing Laws.

AUDITORS

Haris & Associates Auditing (Member of Parker Randall International) were the external auditors of the Entity for the year ending 31 March 2019 and the Directors propose their re-appointment for the next year.

On behalf of the Board of Directors

Mr. Pruthu Rajesh Shah

INDEPENDENT AUDITOR'S REPORT

THE SHAREHOLDERS,
SCRABBLE ENTERTAINMENT DMCC
DUBAI - UNITED ARAB EMIRATES

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of SCRABBLE ENTERTAINMENT DMCC (the 'Entity'), which comprises the statement of financial position as at 31 March 2019 and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory notes.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at 31 March 2019 and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Entity in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the other ethical requirements that are relevant to our audit of the Entity's financial statements in the UAE, and we have fulfilled our other ethical responsibilities. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Management and Directors are responsible for the other information. The other information comprises Directors report which we obtained prior to the date of this auditors' report. The other information does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance or conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT (continued)

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards and their preparation in compliance with the applicable provisions of DMCC Company Regulations 1/03 issued in 2003 and its amendments, and for such internal control as management determines necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Directors are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISA's, we exercise professional judgment and maintain professional skepticism throughout the audit. We also

- * Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risk, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than the one resulting from error, as fraud may involve collusion, forgery, intentional omission, misrepresentations, or the override of internal control.
- * Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- * Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- * Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidenced obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosure are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- * Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represents the underlying transactions and events in a manner that achieves fair presentation.

INDEPENDENT AUDITOR'S REPORT (continued)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

We communicate with the management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

Further, as required by the DMCC Company Regulations 1/03 issued in 2003 and its amendments, we report that:

- i) we have obtained all the information and explanations which we considered necessary for our audit;
- ii) the financial statements have been prepared and comply, in all material respects, with the applicable provisions of the DMCC Company Regulations 1/03 issued in 2003 and its amendments;
- iii) the Entity has maintained proper books of account;
- iv) the financial information included in the Directors' report is consistent with the books of account of the Entity;
- v) note 9 to the financial statements discloses material related party transactions and the terms under which they were conducted;
- vii) based on the information that has been made available to us nothing has come to our attention which causes us to believe that the Entity has contravened during the financial year any of the applicable provisions of the DMCC Company Regulations 1/03 issued in 2003 and its amendments or of its Articles of Association which would materially effect its activities or its financial position of the Entity.

The engagement partner on the audit resulting in this independent auditor's report is Mansour Abdul Wahab.

DUBAI - UNITED ARAB EMIRATES

NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2019

1 CORPORATE INFORMATION

1.1 General

SCRABBLE ENTERTAINMENT DMCC ("the Entity") is registered as a Company with Limited Liability in Dubai Multi Commodities Centre, Dubai, United Arab Emirates, incorporated under the provisions of the DMCC Company Regulations 1/03 issued in 2003 and its amendments by the Dubai Multi Commodities Centre Authority. The Entity operates under Trade license No. JLT-66360 issued on September 27, 2011.

The registered office of the Entity is Unit No. 2405, 1-Lake Plaza, Plot No. JLT-PH2-T2A, Jumeirah Lake Towers, Dubai, United Arab Emirates.

1.2 Principal activities

The principle activity of the Entiry is trading in Audio-Visual, Recording equipments and accessories.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These are the separate financial statements of the Entity. These separate financial statements have been prepared in accordance with International Financial Reporting Standards ('IFRS') and the requirements of DMCC Company Regulations 1/03 issued in 2003 and its amendments

2.2 Basis of measurement

The financial statements have been prepared under the historical cost convention unless otherwise indicated.

2.3 Functional and presentation currency

These financial statements are presented in United Arab Emirates Dirham (AED), the Entity's functional and presentation currency and are rounded to the nearest value.

2.4 Use of estimates and judgments

The preparation of financial statements in conformity with IFRSs requires management to make judgments, estimates and assumptions that effect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods effected.

Significant areas where considerable management judgment is required are disclosed along with accounting policies.

2.5 Going concern

The financial statements are prepared on a going concern basis which assumed that the Entity will continue to operate as a going concern for the foreseeable future.

2.6 Comparative information

- * The accounting policies and estimates adopted are consistent with those used in previous financial years.
- * Certain comparative figures are regrouped and rearranged wherever necessary to conform to the presentation adopted in these financial statements. Such reclassification do not affect previously reported regime a shareholders' equity.

DUBAI - UNITED ARAB EMIRATES

NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2019

3 SIGNIFICANT ACCOUNTING POLICIES

3.1 Changes in accounting policies

The accounting policies applied in the preparation of these financial statements are consistent with those applied by the Entity in its annual audited financial statements as at and for the year ended 31 March 2018, except to the extent of impact of the 'New and revised IFRSs adopted on these financial statements' from 1 January 2018, as set out in Note 4.

3.2 Foreign currencies

The financial statements are presented in United Arab Emirates Dirham (AED), which is the Entity's functional and presentation currency. Transactions in foreign currencies are recorded at the functional currency rate ruling at the date of the transaction. Monetary assets and liabilities denomination in foreign currencies are converted at the rate of exchange ruling at the date of financial position. The resultant foreign exchange gains and losses are recognized in the Income statement.

3.3 Property, plant and equipment

(a) Cost and valuation

Property, plant & equipment are stated at cost less accumulated depreciation and impairment, if any. Cost includes expenditure that is directly attributable to the acquisition or construction. Where items of property, plant and equipment are subsequently revalued such revalued property, plant and equipment are carried at revalued amounts less any subsequent depreciation thereon and impairment.

(b) Subsequent costs

Subsequent cost are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Entity and the cost can be reliably measured.

Cost of repairs and maintenance are charged to the statement of profit or loss during the year in which they are incurred.

(c) Depreciation

Depreciation on property, plant & equipment is provided on a straight line basis at the rates calculated to write off the cost of each asset by equal annual installments over its expected useful life.

Management reviews the residual values and estimated useful lives at the end of each annual reporting period in accordance with IAS 16 and IAS 38. Management determined that current year expectations do not differ from previous estimates based on its review.

The rates of depreciation are based upon the following estimated useful lives: -

Furniture & Fittings 6 Years
Equipment 3 to 6 Years
Leasehold improvements 3 Years
Vehicles 3 Years

(d) Derecognition

DUBAL - U.A.E.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognizing of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit or loss in the year the asset is derecognized.

DUBAI - UNITED ARAB EMIRATES

NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2019

3 SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

3.4 Investment in subsidiaries

Investment in subsidiaries is measured at acquisition cost less impairment losses, if any.

3.5 Investment in associates

Associates are those entities in which the Entity has significant influence, but not control or joint control, over the financial and operating policies.

investment in associates are accounted for using the cost method.

3.6 Impairment of non-financial assets

Assets that have an indefinite useful life are not to amortization and are tested annually for impairment. Assets that are subject to amortization are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which these are separately identifiable cash flows (cash-generating units). Non-financial assets that suffered impairment are reviewed for possible reversal of the impairment at each reporting date.

3.7 Financial instruments

Financial assets and financial liabilities are recognized in the Entity's statement of financial position when the Entity becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

3.8 Financial assets

Initial recognition and measurement

Financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets (other than financial assets at fair value through profit or loss) are added to or deducted from the fair value of the financial assets, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets at fair value through profit or loss are recognized immediately in profit or loss.

Subsequent classification and measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Financial assets at amortized cost (debt instruments)
- Financial assets at fair value through OCI with recycling of cumulative gains and losses (debt instruments)
- Financial assets designated at fair value through OCI with no recycling of cumulative gains and losses upon derecognition (equity instruments)
- Financial assets at fair value through profit or loss

DUBAI - UNITED ARAB EMIRATES

NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2019

3 SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

Impairment of financial assets

The Entity has financial assets under "trade and other receivables" that are subject to the expected credit loss model under IFRS 9. The Entity has applied the simplified approach to measuring the expected credit losses which uses lifetime expected losses allowance for all trade receivables and financial investments. To measure the expected credit losses, trade receivables have been grouped based on similar credit risk characteristics and days past due. The revised impairment methodology has not resulted in additional credit loss in trade receivables.

Derecognition of financial assets

A financial asset (or, when applicable, a part of a financial asset or part of a group of similar financial assets) is derecognized when:

- The rights to receive cash flows from the asset have expired,
- The Entity retains the right to receive cash flows from the asset, but has assumed an obligation to pay them in full without material delay to a third party under a 'pass-through' arrangement,
- The Entity has transferred its rights to receive cash flows from the asset and either:
 - has transferred substantially all the risks and rewards of the asset, or
 - has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Entity has transferred its right to receive cash flows from an asset or has entered into a passthrough arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all the risks and rewards of the asset nor transferred control of the asset, the asset is recognized to the extent of the Entity's continuing involvement in the asset. Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Entity could be required to repay.

3.9 Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Entity's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

• Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

DUBAI - UNITED ARAB EMIRATES

NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2019

3 SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Entity that are not designated as hedging instruments in hedge relationships as defined by IFRS 9. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognized in the statement of profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in IFRS 9 are satisfied. The Entity has not designated any financial liability as at fair value through profit or loss.

Derecognition of financial liabilities

The Entity derecognizes financial liabilities when, and only when, the Entity's obligations are discharged, cancelled or they expire. Where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, then the difference in the respective carrying amounts is recognized in the interim consolidated income statement.

3.10 Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the statement of financial position when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.

3.11 Fair value of financial instruments

Management considers that the fair values of the Entity's financial assets and liabilities are not materially different from their carrying values in the date of statement of financial position.

3.12 Trade and other receivables

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business. If collection is expected in one year or less (or in the normal operating cycle of the business if longer), they are classified as current assets. If not, they are presented as non-current assets.

Trade receivables are stated at the amounts that they are estimated to realize net of provision for bad and doubtful receivables.

Allowance for doubtful debts

Allowance for doubtful debts is determined using a combinations of factors to ensure that the receivables are not overstated due to uncollectibility. The allowance for doubtful debts for all customers is based on a variety of factors including the overall quality and ageing of the receivables, continuing credit evaluation of the customer's financial conditions and collateral requirements from customers in certain circumstances. In addition, specific allowances for individual accounts are recorded when the Entity becomes aware of the customer's liability to meet its financial obligations.

3.13 Cash and cash equivalents

Cash and cash equivalents are defined as cash and bank balances that are readily convertible to known amounts of cash and which are subjected to an insignificant risk of changes in values.

DUBAI - UNITED ARAB EMIRATES

NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2019

3 SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

3.14 Trade payables and accruals

Trade payables are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if payment is due within one year or less (or in the normal operating cycle of the business if longer). If not, they are presented as non-current liabilities.

Trade payables are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method.

3.15 Provisions

Provisions are obligations of the Entity where the timing or amount (or both) of the obligation is uncertain.

Provision are recognized when the business has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount can be made. Provisions are not recognized for future operating losses.

3.16 Employee's end of service benefits

The Entity provides end of services benefits to its employees. The entitlement to those benefits is usually based upon the employees' length of services and the completion of a minimum services period. The expected costs of these benefits are accrued over the period of employment and in accordance with U.A.E. Labour Law.

3.17 Revenue recognition

Revenue from contracts with customers

IFRS 15 Revenue from Contracts with Customers outlines a single comprehensive model of accounting for revenue arising from contracts with customers and supersedes current revenue recognition guidance found across several Standards and Interpretations within IFRSs. It establishes a new five-step model that will apply to revenue arising from contracts with customers.

- Step 1 Identify the contract with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for each of those rights and obligations.
- Step 2 Identify the performance obligations in the contract: A performance obligation in a contract is a promise to transfer a good or service to the customer.
- Step 3 Determine the transaction price: Transaction price is the amount of consideration to which the Entity expects to be entitled in exchange for transferring the promised goods and services to a customer, excluding amounts collected on behalf of third parties.
- Step 4 Allocate the transaction price to the performance obligations in the contract: For a contract that has more than one performance obligation, the Entity will allocate the transaction price to each performance obligation in an amount that depicts the consideration to which the Entity expects to be entitled in exchange for satisfying each performance obligation.
- Step 5 Recognize revenue as and when the Entity satisfies a performance obligation.

The Entity satisfies a performance obligation and recognizes revenue over time, if one of the following criteria is met:

• The customer simultaneously receives and consumes the benefits provided by the Entity's performance as the Entity performs; or

DUBAI - UNITED ARAB EMIRATES

NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2019

3 SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

3.17 Revenue recognition (contd.)

- The Entity's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
- The Entity's performance does not create an asset with an alternative use to the Entity and the Entity has an enforceable right to payment for performance completed to date.

For performance obligations where one of the above conditions are not met, revenue is recognized at the point in time at which the performance obligation is satisfied.

The Entity has elected to apply the input method. The Entity considers that the use of input method, which requires revenue recognition on the basis of the Entity's efforts to the satisfaction of the performance obligation, provides the best reference to revenue actually earned. In applying the input method the Entity estimates the cost to complete the projects in order to determine the amount of revenue to be recognized. These estimates include the cost of providing infrastructure, potential claims by contractors and the cost of meeting other contractual obligations to the customers.

When the Entity satisfies a performance obligation by delivering the promised goods or services it creates a contract asset based on the amount of consideration earned by the performance. Where the amount of consideration received from a customer exceeds the amount of revenue recognized this gives rise to a contract liability.

Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes and duty. The Entity assesses its revenue arrangements against specific criteria to determine if it is acting as principal or agent. The Entity has concluded that it is acting as a principal in all of its revenue arrangements.

Revenue is recognized in the income statement to the extent that it is probable that the economic benefits will flow to the Entity and the revenue and costs, if applicable, can be measured reliably.

3.18 Expenditure recognition

Expenses are recognized in the statement of income on the basis of a direct association between the cost incurred and the earning of specific items of income. All expenditure incurred in the running of the business and in maintaining the property, plant and equipment in a state of efficiency has been charged to the statement of income. For the purpose of presentation of the statement of income, the "function of expenses" method has been adopted, on the basis that it presents fairly the elements of the Entity's performance.

4 APPLICATION OF NEW AND REVISED INTERNATIONAL FINANCIAL REPORTING STANDARDS (IFRS)

4.1 New and revised IFRSs adopted on these financial statements

A number of new or amended standards became applicable for the current reporting period and the Entity amended its accounting policies and make adjustments as a result of adopting the following standards:

- IFRS 9 Financial Instruments
- IFRS 15 Revenue from Contracts with Customers

DUBAI - UNITED ARAB EMIRATES

NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2019

4 APPLICATION OF NEW AND REVISED INTERNATIONAL FINANCIAL REPORTING STANDARDS (IFRS) (CONTD.)

- IFRIC 22 Foreign Currency Transactions and Advance Consideration
- Clarifications to IFRS 15 'Revenue from Contracts with Customers'
- Classification and Measurement of Share-based Payment Transactions (Amendments to IFRS 2)
- Applying IFRS 9 'Financial Instruments' with IFRS 4 'Insurance Contracts' (Amendments to IFRS 4)
- Transfers of Investment Property (Amendments to IAS 40)
- Annual Improvements to IFRS Standards 2014–2016 Cycle (Amendments to IFRS 1 and IAS 28)

The nature and the impact of each new standard or amendment is described below:

+ IFRS 9 Financial Instruments

IFRS 9 sets out requirements for recognizing and measuring financial assets, financial liabilities and some contracts to buy or sell non financial items. The standard replaces IAS 39 Financial Instruments: Recognition and Measurement

IFRS 9 was adopted without restating the comparative information, the reclassifications and the adjustments arising from the new impairment rules are therefore not reflected in the comparative statement of financial position as at 31 March 2018, but are recognized in the opening statement of financial position as at 1 January 2018.

The details of new significant accounting policies are summarized in the Notes 3.5 to 3.9

The nature and effect of the changes to the previous accounting policies are set out below:

The following table illustrates the original measurement categories under IAS 39 and the measurement categories under IFRS 9 for each class of Group's financial assets as at 01 April 2018

	Classifi	cation	Carry	ing amount (AE	D)
•	Original	New	Original	Impact of	New
	Under IAS 39	Under IFRS 9	Under IAS 39	IFRS 9	Under IFRS 9
Trade & other receivables	Loans and receivables	Amortized	12,155,725	747	1,482,006
Due from related parties	Loans and receivables	Amortized cost	674,633	125	674,633
Loan to shareholder	Loans and receivables	Amortized cost	2,015,495	-	2,015,495
Deposits with banks	Loans and receivables	Amortized cost	5,000,000	•	5,000,000
Cash and bank balances	Loans and receivables	Amortized cost	7,581,390	7.0	7,581,390

The adoption of IFRS 9 has not had a significant effect on Entity's accounting policies for financial liabilities.

DUBAI - UNITED ARAB EMIRATES

NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2019

4 APPLICATION OF NEW AND REVISED INTERNATIONAL FINANCIAL REPORTING STANDARDS (IFRS) (CONTD.)

IFRS 15 Revenue from Contracts with Customers

IFRS 15 establishes a comprehensive framework for determining whether, how much and when revenue is recognized. It replaced IAS 18 Revenue, IAS 11 Construction Contracts and related interpretations.

The Entity has adopted IFRS 15 using the cumulative effect method (without practical expedients), with the effect of initially applying this standard recognised at the date of initial application (i.e. 01 April 2018).

Accordingly, the information presented for 31 March 2018 has not been restated - i.e. it is presented, as previously reported, under IAS 18, IAS 11 and related interpretations.

The impact of transition to IFRS 15 on retained earnings at 01 April 2018 is not material.

4.2 New and revised IFRSs in issue but not yet effective

The Entity has not early applied the following new standards, amendments and interpretations that have been issued but not yet effective:

	New and revised IFRSs	Effective for annual periods beginning on or after
	IFRS 16 $\it Leases$ specifies how an IFRS reporter will recognize, measure, present and disclose leases	1 January 2019
•	IFRS 17 Insurance Contracts	1 January 2021
•	IFRIC 23 Uncertainty over Income Tax Treatments	1 January 2019
•	Amendments to IFRS 9 Prepayment Features with Negative Compensation	1 January 2019
•	Amendments to IAS 28 Long-term Interests in Associates and Joint Ventures	1 January 2019
•	Annual Improvements 2015-2017 Cycle - IFRS 3, IFRS 11, IAS 12, & IAS 23	1 January 2019
•	Amendment to IAS 19 Plan Amendment, Curtailment or Settlement	1 January 2019
•	Amendments to References to the Conceptual Framework in IFRS Standards	1 January 2020
•	Amendments to IFRS 3 Definition of a Business	1 January 2020
•	Amendments to IAS 1 and IAS 8 Definition of Material	1 January 2020

24.3 FINANCIAL RISK MANAGEMENT

The Entity is exposed to the following risks related to financial instruments. The Entity has not framed formal risk management policies, however, the risks are monitored by management on a continuous basis.

a) Credit risk

Credit risk refers to the risk that counterparty will default on its contractual obligations resulting in financial loss to the Entity, and arises principally from the Entity's trade and other receivables and bank balances.

The Entity has adopted a policy of only dealing with creditworthy counterparties, for whom the credit risk is assessed to be low. The Entity attempts to control credit risk by monitoring credit exposures, setting credit limits for non-related counterparties and monitoring outstanding receivables.

DUBAI - UNITED ARAB EMIRATES

NOTES TO THE FINANCIAL STATEMENTS AS AT 31 MARCH 2019

24 FINANCIAL INSTRUMENTS (CONTD.)

a) Credit risk (contd.)

Balances with banks are assessed to have low credit risk of default since these banks are highly regulated by the central banks of the respective countries.

b) Liquidity risk

Liquidity risk is the risk that the Entity will be unable to meet its funding requirements. The Entity limits its liquidity risk by ensuring adequate cash from operations.

The table below summarises the maturities of the Entity's undiscounted financial liabilities as at 31 March 2019 and 31 March 2018 based on the contractual payment dates.

	Carrying value	Less than 1 year	More than 1 year
	AED	AED	AED
31-Mar-19			
Non-derivative financial liabilities			
Trade and other payables	16,911,795	16,911,795	-
	16,911,795	16,911,795	•
31-Mar-18			
Non-derivative financial liabilities			
Trade and other payables	15,309,867	15,309,867	*
	15,309,867	15,309,867	-

c) Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

The Entity is not exposed to interest rate risk as there are no any interest bearing borrowings at the reporting date.

d) Currency risk

Currency risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates.

The Entity is not exposed to currency risk as all the assets and liabilities are denominated in the reporting currency AED.

25 APPROVAL OF FINANCIAL STATEMENTS

The financial statements were approved by management and authorized for issue on
