- **India's first interactive virtual premiere, brought to you by UFO Moviez India Ltd., and powered by Valuable Edutainment's Edubeam Distance Learning Solution.**
- **For the 1st time ever, audiences in UFO digital theatres can interact with Actor - Producer Riteish Deshmukh at the same time.**
- **For the 1st time ever, audiences can also see Riteish Deshmukh interacting with other cities live on the big screen. UFO's unique satellite technology unites film goers in different locations with the film stars, cast and crew.**

Mumbai, December 27, 2012: Traditionally a film's premiere has usually been hosted with the cast & crew in attendance, in closed door affairs with the invitees being from the film fraternity itself. For the first time virtual premieres are being held, with the cast & crew in attendance on the big screen, in multiple locations, with audiences being the cinema going public.

History will be created in the world of cinema in the New Year! For the first time ever, UFO Moviez, the world's largest satellite delivered digital cinema network, along with Valuable Edutainment, will pioneer the interactive 'Virtual Premiere' of Actor-Producer Riteish Deshmukh's new Marathi film 'Balak Palak' (BP) at UFO digital theatres in 5 different locations (Mumbai, Thane, Nalasopara, Pune and Latur) at the same time.

UFO & Valuable Edutainment's unique technology, will enable audiences watching the Preview show of 'Balak Palak' on Thursday, January 3, 2013, at Sona Gold in Borivali East, Fun Fiesta in Nalasopara, Gold Digital in Thane West, Prabhat in Pune and Big Rama theatre in Latur, to get a chance to interact with Ritesh Deshmukh on the big screen in front of them at the same time. In fact, audiences in each of these UFO digital theatres will also witness the cinegoers located in the other theatres in different cities asking questions. Riteish Deshmukh along with co producers Uttung Hitendra Thakur and Ravi Jadhav, who is also the director of the film, music directors Vishal – Shekhar, and the children of Balak Palak, will all be stationed at the Valuable Edutainment central studio, to watch and interact with the audiences in all UFO digital theatres at the same time. The session is expected to last an hour followed by the screening of the film.

Actor-producer Riteish Deshmukh says, "I am overjoyed that 'Balak Palak', a sensitive drama that will help parents realize how important it is to communicate transparently with your child, will create history with the first-of-its-kind Virtual Premier facilitated by UFO Moviez & Valuable Edutainment. Marathi films have created a mark throughout the world and with this unique technology, they will unite Marathi film going audiences in remote locations. I'm confident that Balak Palak will not only break box office records but also enter many books of record with this unique feat."

Sanjay Gaikwad, Managing Director, UFO Moviez India & Valuable Edutainment, adds, "In a fitting tribute to the 100th year of Indian cinema, a home-grown company, UFO Moviez, will show the world how it is possible to unite film lovers in different locations of this large country with popular film personalities at the same time. UFO Moviez, which is already a world leader, will now demonstrate how its unique satellite technology will help the aam admi achieve the impossible. We are happy to provide our technology to Riteish Deshmukh for starting a new trend in mainstream cinema with Balak Palak and hope that the film breaks box office records."
