- FAC/62/2016 dated July 5, 2016 have been reviewed and recommended by the Audit Committee and approved by the Board of Directors of the Company at their respective meetings held on August 5, 2019. The financial results of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and the other accounting principles generally accepted in India. 3 a Revenue from Real Estate contracts have been recognised "at a point in time" as per Ind AS 115 during the quarter of its completion, that is, upon receipt of second phase of Occupancy Certificate;
- revenue includes income arising on cancellation of contracts with such customers due to non-completion of the performance obligations by customers. 3 b Since the nature of Real Estate activities being carried out by the Company are such that profits/losses from these transactions do not necessarily accrue evenly over the year, results of a quarter
- and year may not be representative of profits / losses for the year. 4 The Company has adopted Ind AS 116 on "Leases" with effect from April 1, 2019, applied all contracts of leases existing on April 1, 2019 by using modified retrospective approach and accordingly, comparative information for the year ended March 31, 2019 has not been restated. The Company has recognised and measured the Right-of-Use (ROU) asset and the lease liability on the remaining

lease period and payments discounted using the incremental borrowing rate as at the date of initial application. This has resulted in recognising ROU asset of ₹ 7.47 crores and a corresponding

lease liability of ₹ 7.47 crores as at April 1, 2019. In the results for the current period, the nature of expenses in respect of operating leases has changed from lease rent in previous periods to

- depreciation for the ROU asset and finance costs for interest accrued on lease liability. The effect of adoption of Ind AS 116 on the results and earnings per share for the Quarter ended June 30, 2019 is not material. The Scheme of Arrangement ('the Scheme') between SCAL Services Limited ('SCAL') and The Bombay Dyeing and Manufacturing Company Limited ('the Company') and their respective shareholders for demerger of Real Estate Business Undertaking of SCAL vesting into the Company was sanctioned by the Hon'ble NCLT, Bench at Mumbai vide Order dated February 21, 2019 and accordingly, the accounting treatment for the demerged undertaking was given for the financial year ended March 31, 2019. During the current quarter, as on May 2, 2019 pursuant to the Scheme, the Company
- has allotted 3,88,800 8% Redeemable Non-convertible Non-cumulative Preference Share of ₹ 100 each fully paid up to the shareholders of SCAL. Foreign Subsidiary, PT Five Star Textile Indonesia (PTFS) discontinued its operations during the year 2018-19 and accordingly, in consolidated results and consolidated segment assets and consolidated
- liabilities, continue to be classified as a discontinued operation in accordance with Ind AS 105 on 'Non-Current Assets Held for Sale and Discontinued Operations'. Previous period figures have been regrouped / reclassified wherever found necessary, to conform to current period classification.
